Dear Curtis:

Thank you for agreeing to take part in our week long series on the Georgie Woods' show on WDAS-AM. Your participation will make this effort a great success.

The series is being sponsored by the teen pregnancy prevention campaign "Pregnancy: It's Not For Me", a public awareness campaign developed by the Family Planning Council.

The objective with this radio series is to provide a great deal of information about preventing pregnancy among teenagers. We also want to present information about services for pregnant teens and teen parents, teen-parent communication and related health issues such as drugs, STD's and AIDS. You will have ample opportunity to talk about your program and services.

You will participate in a live radio broadcast with a great deal of audience participation. Mr. Woods encourages his listening audience to call in with comments, questions and reactions.

The following arrangements have been made for your segment.

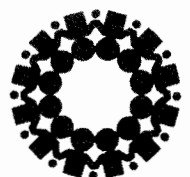

*** Date: Thursday, January 11, 1990**

*** Time: 5:30 to 7:00 pm (Please arrive at least fifteen minutes before you are scheduled to go on).**

*** Place: WDAS-AM, Belmont Avenue & Edgeley Road, Philadelphia. (Attached is a map with the station clearly marked). The station's phone number is 581-2100. The producer of this series is Ms. Thera Martin.**

*** Topic to be discussed: AIDS**

*** Appearing with you: Possibly a representative from We The People**

p.2

I have suggested to Mr. Woods topics to be covered and possible questions he might ask during your part of the show. A copy of those questions is enclosed. Please feel free to make any suggestions, additions or changes to the questions. Of course, Mr. Woods will undoubtedly ask his own questions. This is a live, call-in show so be prepared for unpredictable questions from the radio audience.

Mr. Woods may also mention the Council's teen pregnancy prevention campaign, "Pregnancy: It's Not For Me" during your segment and provide listeners with the campaign's Hotline number 592-0550 (This is the number for the CHOICE Hotline.) Public service announcements about the campaign may also air during the show. I hope you also feel free to mention the CHOICE Hotline number as an excellent resource for information about reproductive health care and AIDS.

If for any reason you need to change or cancel your participation or have any questions or concerns, please do not hesitate to contact me at **985-2609 at work** or **(609) 858-9729 at home**.

Again, thank you for participating in the series.

Sincerely,

Beth Wilkinson
Campaign Director

PS: A schedule for the entire week is attached.
