Maureen Byrnes

Curtis W. Wadlington
Deputy Director, Program Operations
BEBASHI
1528 Walnut Street, Suite 200
Philadelphia, Pennsylvania 19102

Dear Mr. Wadlington:

On behalf of the National Commission on Acquired Immune Deficiency Syndrome, I am writing to confirm your participation in the Commission hearing to be held on July 18 and 19, 1990 in Washington, D.C. You are scheduled to testify on July 19, in the 11:15 a.m. to 12:15 a.m. panel discussion on Volunteers and the Work Force.

The purpose of the July hearing is to analyze the personnel issues related to health care delivery and the HIV epidemic. We are particularly looking forward to learning about the accomplishments of BEBASHI.

All hearing participants are requested to prepare a written statement of their testimony. We also request that witnesses send a biographical statement, one paragraph in length to be included in the material that will be provided to the Commissioners. Both the written testimony and the biographical statement should be received in our office no later than July 13, 1990. Transmissions by facsimile may be made to (202) 254-3060.

Your formal presentation should be no longer than 10 minutes in length. This will allow sufficient time for questions and discussion by the Commissioners. Your entire written statement will be included for the record.

Page 2 - Mr. Wadlington

You will be notified of the hearing site as soon as it is finalized. When finalized, a copy of the agenda will be sent to you.

We are most grateful to you for taking the time to address the National Commission on AIDS.

Sincerely,

Maureen Byrnes / lam
