Dear Mr. Wadlington:

Thank you for your excellent keynote address at the September 30, 1991, VA Medical Center sponsored workshop entitled, "The Changing Face of HIV Disease in Arkansas." Your presentation was rated very highly by workshop participants.

We also appreciate your input and consultation at the September 29, 1991 Roundtable for Community Leaders held at Shorter College.

Yours truly,

KENNETH D. COOLEY, LCSW  
Chief, Social Work Service
