Lucy Oppenheim, Note taker

**THURSDAY APRIL 26**

**INTRODUCTION**

Dr. William Robinson thanked participants for coming and apologized in advance for his inability to attend every session. He announced that Denise Rouse, who would co-chair the meeting with Dr. Maria Segarra, was planning to leave the Office of Minority Health (OMH) in order to work more directly with community based organizations (CBOs). Georgia Buggs will continue to oversee AIDS grants activities.
