DC CARE Consortium has launched a major HIV/AIDS awareness campaign by designing posters in beautiful color and flyers representing people from all walks of life to encourage AIDS testing.

Enclosed is a composite of those posters for your review, and distribution. Any poster or amount that you request I can have delivered. Also, cases are available.

Please choose the posters on the composite that you are interested in by number and the amount of each, thank you.

If I'm not in my office please leave a message on my voice mail (202) 332-9091 ex 17 or e-mail (pleonard@dccare.org). I look forward to hearing from you.

Sincerely,

Pucci Leonard
Housing/Program Assistant

CC: Valerie Papaya Mann
Executive Director
