

MEMORANDUM

DATE: March 28, 1986
TO: Participants in March 22nd Meeting
FROM: David Fair
RE: Next Meeting

This is a reminder that the next meeting we have scheduled is for **Sunday, April 6, 1986, at 1:00 p.m. (sharp?), at 1319 Locust Street.**

At the last meeting, I gave out a copy of the Union's letter to the AIDS Task Force asking them to hire a person to plan better outreach to minorities for their services. Enclosed is a copy of their letter in response and our mailgram back. As you can see, they still don't seem to want to pay much attention.

Also enclosed are copies of a leaflet advertising the next meeting. Not everybody will feel comfortable with it, but you should use it if you think it will help bring people out.

Please feel free to give me a call if there's anything else I can do to help.
